Dear Mr. Bown:

RE: ML 46137--Building Stone/Limestone; DOGM S/003/009

The division has received your notice of intent to commence small mining operations upon lands under the above-numbered lease. Although your plan indicates that there will be no excavations of ground it is still necessary that the division consult the State Historic Preservation Officer regarding the operations. Please do not begin work until final clearance is received from the division.

Sincerely,

JOHN T. BLAKE
MINERAL RESOURCES SPECIALIST
